D A T E D : 0 3 - 0 1 - 2 0 1 1

As envisaged in the guidelines of the MG-NREGA, the labour budget of the ensuing financial year is to be prepared and sanctioned by and before the end of the preceding financial year. Obviously the exercise has been already started at Halqa Panchayat level from the month of September as per the regular practice. In this regard, it is directed that during the preparation of the labour budget/works plan of the Halqa Panchayats, the participation of all the state holders at grass root level shall be ensured in order to identify the works and project labour demand in a transparent manner including incorporating of convergence projects. Further as the outcome of the ensuing Panchayat elections, the Panchayati Raj Institutions at all the three levels are going to be in place during the next financial year, which shall obviously give a hike to the labour demand, so on this account the labour budget for the next financial year be projected upto 3 fold over the current year projections or hike to the extent of providing 100 days employment to all the eligible households in the district. The scheme of convergence, including Forest Development, flood protection and BNRGSK/Apna Panchayat should also be suitably incorporated.

Further the whole exercise of framing the labour budget be ensured within the stipulated time by gearing up the field functionaries in this regard and ensuring that the labour budget is loaded on MIS NREGA Soft as well.
