

Government of Jammu and Kashmir  
Rural Development Department Civil Sectt.

**Subject:-Crash Survey and status of Total Sanitation Campaign.**

C I R C U L A R No 01 -RDD of 2010  
Dated: - 16. 06. 2010

It has been felt imperative to get a crash survey conducted on the present status of TSC in the State in respect of individual household latrines (IHHL). It is enjoined upon all DPOs/BDOs and other employees of the Rural Development Department involved in implementation of the TSC at gross root level to conduct a crash survey within a period of 10 days and to convey the present status of the individual household latrines, Halqa/Panchayat wise and Block-wise of each District wise in the following manners:-

1. Total number of household in Halqa Panchayat.
2. Number of household above poverty line.
3. Number of household below poverty line.
4. Number of household above poverty line having individual household latrines
5. Number of household below poverty line having individual household latrines.
6. Number of BPL household having in Kacha House without individual household latrines.

It may be added here that data in respect of BPL household must be readily available and needs to be up dated and halqa-wise position in respect of APL household needs to be ascertained quickly and reported timely.

The reports indicating the number at Halqa Panchayat level with totals at Block and District levels should reach the Administrative Department within a period of 10 days.

The District and Block which gives information first will be suitably awarded.

Secretary to Government,  
Rural Development Department
