Kashmir/Jammu,
Srinagar/Jammu.**

No. RD/PC/15/2011

Dated: 06-06-2011

Subject: State Plan of Construction of Apna Panchayat Garhs in J&K in two years:

Sir,

You are well aware of the decision to construct Apna Panchayat Garhs in the State on fast track basis within two years by convergence with the BNRGSK component of MGNREGA. In this connection, on the basis of the input about non-availability of the Panchayat Garhs and those requiring repairs to make them functional an action plan showing district-wise position has been drafted. A copy is enclosed herewith.

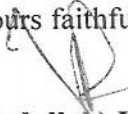

Since the work is to be done in MGNREGA mode and Rs. 10.00 lacs is to be invested from MGNREGA funds, you have already been directed to go ahead with the construction plan. With a view to saving time and ensuring quality constructions, the J&K State Forest Corporation and J&K Cements limited have offered through their administrative Departments to meet full requirement of timber and cement respectively.

In this connection, it is requested that:

1. Lists of Halqa Panchayats where land is available but Apna Panchayat Garhs are not available required to be taken up in first phase may be communicated, Block-wise and District-wise.
2. Likewise lists of Panchayat Garhs where repair work has been/is being taken up this year indicating physical and financial components of the repairs in each case may be communicated.
3. Timber and cement requirement per unit may also be communicated for new constructions and separately for repairs.
4. Panchayat-wise fortnightly progress reports, starting from 15th June, 2011 may be submitted to Administrative Department by fax and e-mail.
5. It may be ensured that the concerned Districts provide for BRGF share and BADP share in their annual plans of the Districts under these schemes.
6. Photography/videography before and after the construction/repairs may be ensured.
7. Work may be got completed on time in accordance with convergence guidelines of MGNREGA.

The progress is going to be reviewed periodically at the highest level and any slackness will not be tolerated. Should you need any guidance or clarification, kindly feel free to communicate it. Implementation on fast track basis is of utmost importance.

Yours faithfully,

(Yedullah) IAS
Comm/Secretary to Govt.
Rural dev. Department

Copy for information and necessary action to:

- ✓ 1. Principal Secretary to Government Planning and Development Department.
- ✓ 2. Comm/Secretary to Government Finance Department.
3. District Development Commissioner _____
